

OCTOBER 2026 NEWSLETTER

Dear Parents,

The children are making great strides adjusting to their new classrooms, teachers, and reconnecting with old friends and also forming new friendships.

October is a very busy month filled with fun Fall activities. If you signed up to help with school parties, we will have a Room Moms' Meeting on Monday, September 28 and Tuesday, September 29.

The teachers and I would like to invite you to our Open House on Monday, October 26. Attending Open House is a great opportunity to meet the teachers and get a glimpse of your child's day.

During the first part of October, more information about Open House and the Room Moms' Meeting will be sent home in your child's backpack and posted on our website. We look forward to seeing and visiting with you!

The last week of October, a Grocery Store Learning Center will be setup. Each class schedules a time to have fun shopping at the CEC Grocery Store. The grocery store theme really encourages children to role play and actively participate as they learn about their world.

PET VET WEEK

October 5 and 6 are special days set aside for CEC students to learn about pets. Each class from the 15 month olds to the Transition class will have an opportunity to visit with the animals.

OPEN HOUSE OCTOBER 26
