Thanksgiving Feasts

The week of November 16 has been set aside for the Thanksgiving Feasts. Each child will enjoy a special lunch to celebrate Thanksgiving. The parents who signed up to help with Thanksgiving will be working with the teachers to plan for the feasts. As we introduce the traditions of the season, the story of the first Thanksgiving will be told to help children learn about Native Americans and Pilgrims. November is a perfect time to emphasize families and giving thanks to God for all He provides.
