REGISTRATION UPDATE

Registration packets have been sent home with our current students. The completed packets should be returned to the office by Friday, March 31. If your child will have immunizations during the summer., an updated immunization record can be turned in by August 1st. We are required by the Sate of Texas to have complete records when your child starts school in September. Four and five year olds will need their hearing and vision tested. Plum Tree Speech comes in October to administer these tests, but you can also turn in the results from your child's 4 or 5 year old well visit.

START OF SCHOOL ANNOUNCEMENTS will be in the packet to let you know our dates for all of our back to school activities.
