

Child Enrichment Center
CURRICULUM
4-Year-Old Classes

At CEC our goal is to prepare your 4-year-old for a successful kindergarten experience. In addition to art, Bible, music, physical development, Spanish, science and social studies, I want to give you a clearer picture of CEC's math and reading/language curriculum. During the year each child in the 4-year-old classes will be taught the curriculum items listed below. They will not necessarily master all items but will be provided the opportunity for mastery.

MATH

Numeral recognition of 0-10, 100 & 1000
Numerical value 0-10, 100, 1000
Writing of numerals 0-10
Counting 0-20; 10's to 100, 100-1000
Patterning
Measurement
Weight
Sequencing
Graphing
Comparisons
Shapes:

Ordinal Numbers
Matching
Size Relationships
More Than/Less Than
Simple Addition
Simple Subtraction
Sorting
Time
Observation
Problem Solving

READING / LANGUAGE

Quote Alphabet A-Z (ideally without singing)
Letter Recognition A-Z upper & lower case
Letter Sounds A-Z with short vowel sounds
Beginning sounds & ending sounds
Story Sequencing (What happens 1st, 2nd ...)

Recognition of color words
Exposure to reading
Rhyming
Name Recognition and writing
Comprehension of story

CEC uses the Wee Learn curriculum in addition to the above curriculum items. The children learn about Jesus in the Bible stories heard in class and chapel. They also experience the love of Jesus through our teachers and staff.
